The CATCH Board of Directors is the host of this food drive. We will collect the non-perishable food items during the May 16 membership meeting. Board members made recommendations and the recipient of the food is St. Francis House!

Your generosity can help nourish the lives of those in need.

Join us as we support families and individuals facing food insecurity in our community. Let's show that when we unite for a common cause, we can create incredible change. We can't wait to see you at our membership meeting and food drive event!
